Dear Al:

The Workers' Compensation Board, at its meeting of February 25, 2003, reviewed your letter dated January 9, 2003. The Board considered your inquiry as to "whether a formal response to the certification should be held in abeyance for any reason."

The Board agreed that there was no reason to hold in abeyance a formal response to the certification. Therefore, it is appropriate for the Bureau of Insurance to move forward in this matter.

If I can be of further assistance, please do not hesitate to call.

Sincerely,

Paul R. Dionne
Executive Director
